

Kindergarten Registration is Monday, March 26, 2018

Kindergarten registration is around the corner! We are looking for children that will be five, on or before September 1, 2018, to enroll in Kindergarten for the 2018-19 school year. Please complete the information below and return it to the office so we can get the packets ready to send home in mid-March. You can then complete the packet at your convenience at home and turn it in to Thunder Ridge on Monday, March 26th. Registration will take place in the Media Center between 6:30 a.m. and 2:00 p.m. It is important to have a complete address, including city and zip code, as we will be enrolling students for both Thunder Ridge and the new school in Eagle Mountain. If you do NOT have a kindergartener starting next year, please help us by passing this form to a neighbor who does. If you have questions, please call 801-610-8727

PLEASE BRING THE FOLLOWING ITEMS TO SCHOOL, ALONG WITH THE COMPLETED PACKET, TO FINALIZE REGISTRATION:

We will not be processing new students into Skyward, nor giving them a teacher or track assignment, without everything below and the enrollment packet completely filled out. Office track requests for Kindergarten thru 6th grade will be April 9th to April 13th for Thunder Ridge.

1. **BIRTH CERTIFICATE:** To start school, students must have a valid, original birth certificate. Thunder Ridge Elementary will need to see the original copy. We will copy your child's birth certificate to keep on file. This NEEDS to be the full sheet paper, NOT the small credit card type. If you are unable to find a birth certificate, you must have an affidavit explaining the inability to produce a copy of the birth certificate.
2. **PROOF OF RESIDENCE:** Buyers/renters agreement or gas/light bill only will be accepted. If you are living with another family, we have that form available for you to fill out instead of a proof of residence.
3. **COPY OF IMMUNIZATION RECORDS:** The 5th DTP and 4th Polio immunizations need to be given after the child's 4th birthday and the first MMR shot must be given after the first birthday. Parents may sign the appropriate box on the pink index immunization card indicating their child has had the Chickenpox disease instead of the shot. While at the doctors, you can have them fax updated immunization records to (801)766-2311.—Immunizations must be complete before a teacher/track will be assigned, so please start making your immunization appointments now.
4. **LEGAL COURT PAPERS:** If there are any custodial and/or parental rights granted by a court.
