Committee Action/Discussion Items:

- **Change to safe walking route**
 - Safe walking route not quite safe, police officer there this morning, dirt path created to help kids stay out of the road. Machinery has been placed near the dirt path and on the dirt path. Can we find out who the construction company is?
- **Online Safety**
 - Computer teacher trains kids on safety protocols. She has created her own website with safe links for kids to go to and choose from. Netsafe assembly. Kids with alpine emails can only email each other. District network filters all devices. Do we need a parent note to go home for apps, etc being used at the school? Do we need a cyber bullying training for upper grades?
- **Budget**
 - Looking at data to support our goal. How can we support the teachers more in the areas we are lower in? Committee looked at SAGE results in 3rd-6th over the past few years.

Meeting closed without objection
